

Meet Bruce Watkins

Real Estate Broker

Bruce moved to the Tahoe area in 1984, resided in Squaw Valley for 14 years, and developed a passion for skiing. He continues his real estate services in one of the premiere resort communities of the Sierras, Tahoe Donner, and, also enjoys golf to the fullest.

I was raised on Cape Cod, Massachusetts, and grew up enjoying the lifestyle of a resort community and its distinct approaches to life. After obtaining a Business degree and then a Masters degree, I spent 17 years as a youth minister reaching out to and caring for young people.

Now as a real estate broker, I draw from these experiences, training, and values for my real estate profession. Blending my knowledge of the invigorating benefits of a resort community with a strong desire to give personal service to others, you will quickly discover that I have my own unique style.

I am the father of three successful children and grandfather to six more. My wife and I continue to enjoy the lifestyle of Tahoe, in the summer and winter, while I work full time in vacation real estate.

In addition, I owned a condo on Maui for 14 years and I understand the concerns of absentee ownership that you might have. I am available to give "long-distance" assistance and offer knowledgeable advice.
